

ARTIST RESIDENCY

@ HUMBOLDT BAY SOCIAL CLUB

The Humboldt Bay Social Club artist residency program seeks to provide living and creative space for working artists. We want to live in a place where the artists thrive, and where artists and makers are treated as an invaluable, sustainable resource. We welcome applications from local and visiting artists.

Components of the Artist Residency:

Free use of the Artist's Studio at Samoa Field

Day access to the Clubhouse (including the coffee bar, Wifi, and restrooms with showers) at Samoa Field and the Bathhouse at Oyster Beach.

60% discount on weekly and monthly stays in Cabin 5 at Oyster Beach

A culmination event (launch party, showing) in the Lobby Bar at Samoa Field

We kindly ask that participants contribute a piece from their time at the Social Club to our permanent collection.

To Apply:

Email 3-4 samples of your work, a brief artist statement/introduction letter, and your desired dates of residency to amy@humboldtclub.com. Please indicate if you need lodging in Cabin 5 during your residency.
